Seating Excellence at Work

Like the Faberge egg, Ovo's exquisite design is unlike most contemporaries. It does not resemble current office design style.

Appearance

Ovo's mesh surface create a light and airy, yet technical appearance.

Comfort

Ovo's trumpet base with auto-return column makes a design statement in waiting and relaxation lounges.

Sustainability

Ovo's translucent mesh is constructed using high-tensile elastomeric filaments that do not lose tension over time.

2 base options give Ovo very different personalities.

Elastomeric Mesh

Provides elastic support, yet allowing ventilation for airy comfort.

Soft PU Armpad

In an ellipsoid shape eliminates hard edges and elbow sores.

Side Controls

For recline tension, locking and seat height allows adjustment while being seated.

4-way Armrests

Adjusts for height (100mm), width (50mm), depth (60mm), swivel (+/-15)

Synchro Mechanism

Hidden to keep the look clean and completes the egg aesthetic.

Diecast Alloy Base

Exceptional strength and durability while being 100% recyclable.
